Dear Fellow Members of the HOA:

I am pleased to report that the trial of the above matter commenced today before The Honourable Mr. Justice Bryan L. Weekes, Judge of the High Court in Barbados. I expect to give my testimony starting tomorrow morning at 9:30am.

As you may know, the website of the Apes Hill Benevolent Society was breached yesterday (12 October), and malware was inserted. We expect to have the website operational later today (13 October).

Yours faithfully,
